Phone advertising отдела3412 330-043 email sdmsdm18.ru Driving directions One day in the life of human consumers of hereafter h h wakes up in the morning turns on the radio and hears Your ad. On the way to work, he again listens to the radio again and hear Your video. On the way he acquires fresh issue of the newspaper flips through it and puts aside to read in a spare moment. In the afternoon this time comes and the paper is subjected to a more thorough study on the second page of the newspaper h sees Your ad module. The working day is over. H goes home and from the speakers the radio again to hear information about Your company and product. And the house sit back with delight watching your favorite programs. Tonight he has a couple of time sees Your ad and thinks about that instead of whether to purchase Your product Advertising effectively We placed on TV channels First ORT Russia GTRK Udmurtiya STS -Izhevsk, NTV, TVC, TNT New Region REN-TV My Udmurtia.
